Picture Day Procedures

Couple reminders about Picture Day:

- Dancers need to arrive at their assigned report time, we MUST stay on schedule, dressed in full costume, hair and makeup. Don't forget their dance shoes and accessories. Picture Day schedule is attached to this packet.
- ***New this year*** We have an outline containing the hair style and tights for each class that also has some helpful hints for Picture Day & Recital makeup and undergarments. Remember, makeup is an important part of the dancer's overall look on stage. Outline attached to this packet.
- Nail polish, toe nail polish, jewelry, temporary tattoos etc are NOT allowed!
- **Recital Tights** -All classes need to have the correct tights for Picture Day and the Recital, so we are uniform. A list for each class is attached to this packet and we will have a full stock of tights available for purchase.
- Parents will not be allowed near photo sessions and are not permitted to take photos on the backdrop.
- You will be able to order a group photo if you do not want an individual photo.
- Only PREPAID dancers will have individual photos taken.
- 1 form per dancer. If your dancer is in multiple numbers, you can write each class and its package choice. Any questions regarding photos feel free to email Mindy at mindy@mindygarfinkle.com.
- Order forms will be passed out a few weeks prior to the week of pictures.

~If you are not ordering pictures, we still encourage you to attend Picture Day so you can be part of the class picture collage that is displayed at the studio.

~If you are unable to attend Pictures, please let me know so we aren't waiting for a dancer.

Tan stirrup tights and half soles.
Acro dancers will have bare feet.

MANY COSTUMES COME WITH HAIR ACCESSORIES. Placement of these will be discussed in class during costume fittings. If you are unsure of where and what to do with the accessory, just bring it on Picture Day and we will make sure all dancers are the same. **ALL HAIR ACCESSORIES MUST BE SECURE WITH BOBBY PINS!**

Undergarments:

Your dancer may need an undergarment for their costumes, make sure they are Nude in color. A few suggestions listed below.

Body Wrappers Adult Padded Convertible Bra. *look at the size chart you may need to order a size up*
Body Wrappers Child Pull-on Bra *look at the size chart may need to order a size up*

Make-Up:

All dancers need to have on Blush, Lipstick, Eye shadow, and Mascara. Older dancers should liner their upper lid and use false eyelashes. Make-up is very important. If a dancer has light eyebrows, you can lightly fill them in using a brow powder. We have very bright stage lights and for the dancers' important features (eyes, lips/smile, etc.) to be seen and their faces to not look washed out, it is crucial that every dancer has make-up on.

* *No Lip Gloss! Hair will stick to it and it looks too shiny on stage.

* *Questions on hair, make-up and undergarments? Don't hesitate to contact Ms. Kim.
