A Few Reminders

Remind your dancer to practice! I highly recommend a private lesson if your dancer doesn't feel confident with their choreography. Private lessons can benefit your dancer immensely! Private lessons are \$70/hr and \$35/half hr. Email me kim@step2.dance to schedule a private lesson. Private lessons are mainly Saturday mornings/early afternoon, if Saturdays are not an option, we can try to find a day/time to accommodate your dancer. If your dancer needs the music email me kim@step2.dance. You will not find the correct version on YouTube.

Don't forget to register for Summer Classes &/or the Summer Intensive. You can view the schedule and register online www.step2.dance. For Summer Classes and the Summer Intensive your dancer can register for 1, 2, 3, weeks or for the whole Summer session. Summer classes are a wonderful way for your dancer to keep up with their technique. Contact me kim@step2.dance with any questions!
